03

## MANAGEMENT TEAM

**01**

**Mr. RAVISANKAR**  
MD/CEO

Mr. Sankar holds Masters in engineering having 15 years experience in Managing structural design and factory operations in Telecom/power/oil & gas. Served in India, Saudi Arabia, Nigeria.

**02**

**Mr. LAXMAN**  
Chief Operating Officer

Mr. Laxman Holds Bachelors in Mechanical engineering having 23 years of Operating experience in various steel industries around the world India, china, Nigeria, Syria.

**03**

**Mr. ASIR PRAKASH**  
CTO

Mrs. AsirPrakash Holds Masters in Structural engineering, Having 12 years experience in Telecom, Power & Oil & Gas engineering sector.

**04**

**Mr. CHARLES EGWIN**  
HEAD PMO

Mr. Charles Holds Bachelors in marketing having 15 years of marketing experience in various steel industries in Nigeria and west Africa.

**05**

**Mrs. FATIMA SHEHU**  
ADMIN DIRECTOR

Mrs. Fatima ShehuHolds Bachelors in Computer Science, Having vital experience in Telecom, Power & Oil & Gas Administration. She also has International Diploma in Information Technology and Communications.

## FSC STEEL TEAM

### DESIGN TEAM

Structural design, Structural drawing, Shop drawing Fabrication, Construction/Assemble drawings, Bill of material.

### OPERATIONS TEAM

Procurement, Planning, Fabrication, Supply.

### SALES/MARKETING TEAM

Telecom, Power, Oil & Gas, Infrastructures Development.

### PROJECT EXECUTION TEAM

Installation, Construction, Civil.

05

## TEAM STRENGTH

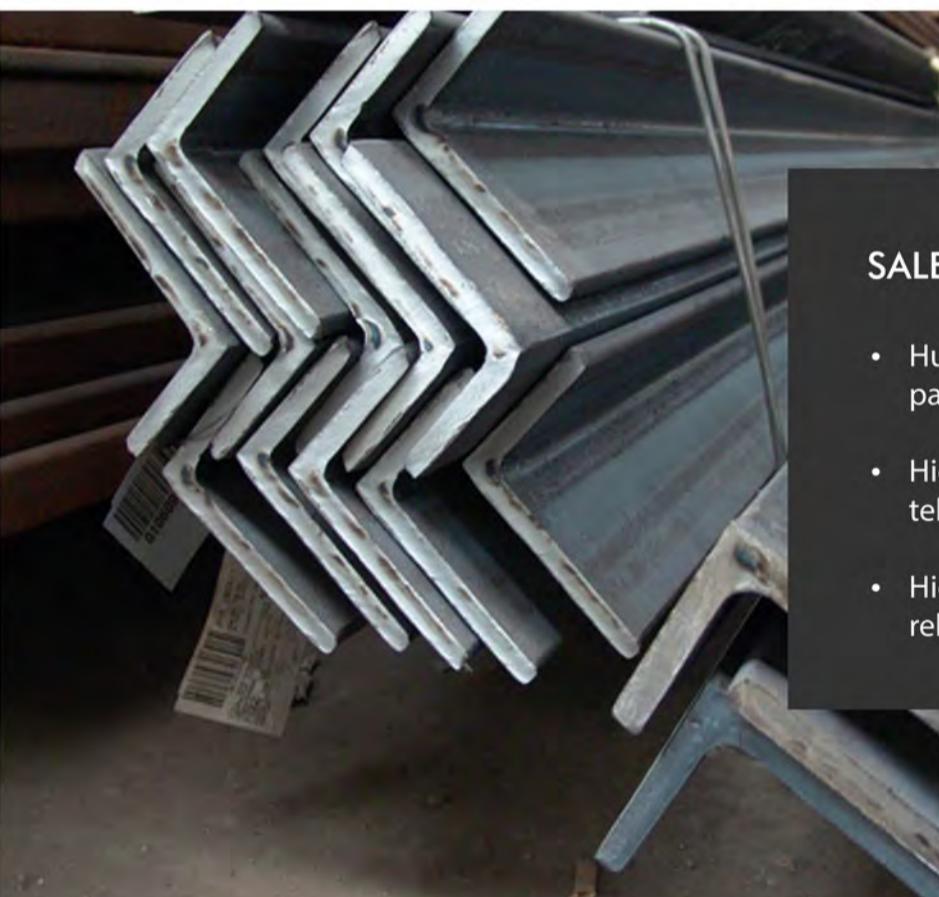

### ENGINEERING KNOWLEDGE IN

Structural design, Structural drawing, Shop drawing, Construction drawings, Bill of materials.  
Procurement  
Planning  
Fabrication  
Proto assembly  
Construction/ Installation  
Civil

### SALES & MARKETING STRENGTH

- Huge Telecom/Oil& Gas client partnership in Nigeria.
- High sales & marketing experience in telecom/power/Oil & Gas.
- High management level client relationship

## Design software utilized

PLS-Tower v15.10  
MS Pole ver.6  
iTOWERSDesigner TL  
STAAD.Pro2015iTOWERSDesigner MW  
PLS-Pole v15.10  
BOCAD  
MATH CAD

## Design standards utilized

IS 875:1987 and IS 802:1995/1992  
EIA/TIA-222-G  
SEI/ASCE 10-97 & 48-05  
BS8100-1:1986, BS8100-3:1999  
AS3995-1994  
SABS  
ILE TR7,2000  
LRFD

Indian  
American  
American  
British  
Australian  
South African  
British

## BUSINESS STRENGTH

- 1** Telecom
- 2** Power
- 3** Oil & Gas
- 4** Infrastructures Development
- 5** PEB Structures

08

### Telecom Products

- Steel lattice/tubular towers  
3 legged/4 legged
- Steel Monopole
- Palm tree, pine tree
- Antenna mount
- Cable tray
- Palisade fence
- Tower civil works

[www.fscsteelengineering.com](http://www.fscsteelengineering.com)

09

## Power products

11kv to 600kv Steel lattice towers like suspension, tension dead end towers

11kv to 132kv Steel tubular pole for transmission line

Substation gantry, support structures.

## Oil & Gas Product

- Pipe racking
- Boilers
- Pressure Vessels
- Storage tanks
- Marine structure floating jetties
- Suction piles
- Offshore platforms, jackets and decks
- Heli Pad-decks
- Gratings & platforms, handrails
- Compressor structures
- Liquefied Natural Gas (LNG) Equipment and accessories
- Skid Mounted Gas Lift Equipment
- Gas Heat Exchangers

**FSC** STEEL

11

**FSC** STEEL

## Infrastructures Development

- Steel bridges •
- LED Billboards •
- Steel building •
- Bus shelter •
- Street light poles •
- Fence •

## PEB Structures

- Pipe racking
- Boilers
- Pressure Vessels
- Storage tanks
- Marine structure floating jetties
- Suction piles
- Offshore platforms, jackets and decks
- Heli Pad-decks
- Gratings & platforms, handrails
- Compressor structures.
- Liquefied Natural Gas (LNG)
- Equipment and accessories
- Skid Mounted Gas Lift Equipment
- Gas Heat Exchangers

**FSC STEEL**

[www.fscsteelengineering.com](http://www.fscsteelengineering.com)

*With extensive engineering expertise, our in house team can design, analyze and detail Telecom/transmission towers and substation structures/ Oil & gas / other Infrastructures that deliver on-line safety and efficiency in accordance with international standards as per our customer's requirement.*
